FOOD SAFETY OBJECTIVES

In line with the Food Safety Policy of the Company, SINA GÉRARD/E^{SE} URWIBUTSO has set the following Food Safety Objectives:

1. To ensure three (3) food related trainings or refresher courses are conducted once a year for all production personnel.
2. To continually improve our FSMS through reduction of non-conformities of internal audit by at least 10% every year.
3. Reduce customer complaints by at least 50% each year.
4. To extend our FSMS scope by including at least one (1) product in three (3) years/Certification cycle.
